Course Literature

Craig JJ *Introduction to robotics: Mechanics and Control, 3rd edition*. Pearson Prentice Hall. (Latest edition)

McKerrow PJ *Introduction to Robotics*. Addison-Wesley. (Latest edition)

Nehmzow U (2003). *Mobile robotics: A practical introduction*. Springer-Verlag. (Latest edition)

Handouts, lecture notes, and web-based material

Plagiarism is a form of cheating that involves imitating or copying someone else's work, such as a text, an image, or a table, and then present this as your own or without providing any reference. Self-plagiarism is also considered cheating, that is, using one's own previously submitted or published work without providing any reference.
