Teaching	Lectures, seminars and practical exercises.		
Prerequisites	No specific prerequisites are required other than the eligibility requirements for the programme.		
Examination	Learning objectives 1-3 Individual class-based exam Learning objectives 4-7: Individual- and group assignments and seminars		
Grade	A, B, C, D, E, Fx, F		
Limitations	Students who do not take or who fail the regular examination are offered at least four more opportunities to take the examination. The examination may be taken on one regularly scheduled date and on two additional occasions in connection with the course. Students who have not passed after these three examinations are referred for student counselling/support and may retake the examination the next time the course is offered.		
Other regulations	Please refer to the study guide for information on the criteria for the different grades. The course is compulsory in the undergraduate programme in social work with a focus on international social work. The language of instruction is English.		
Sustainable environment	A minor part of the course content deals with sustainable development.
